There is a 10% discount for the second child and 15% for the third, or any additional children, **on tuition only.** A 3% discount (**on tuition only**) is given if the payment is made in full on or before June 1st. **A discount will not be allowed after June 1st.**

Financial aid for tuition is available to students who qualify. All applications are kept confidential. Applications are available in the lower school office and must be processed annually. Because of the school's need to finalize operation budget and financial decisions, the deadline for submitting applications is March 1st. Applications may be submitted after March 1st, however, financial assistance awards may not be available for late submissions.

Additional Expenses

All students will be required to wear designated uniforms each week, Monday through Thursday. Dress for "Free Fridays" must be in compliance with the dress codes that are spelled out in the parent/student handbooks or this privilege will be revoked. For uniform options, please see the HNES uniform policy.

Field Trips

Please note that some of our classes participate in educational field trips during the school year. These field trips may be an additional expense for the students involved. Field trips at Holy Nativity are determined by and tied to the curriculum.

Fourth grade studies Florida history and has traditionally traveled to St. Augustine (c. \$400.00 per person). Sixth grade attends Space Camp at Cape Canaveral, FL, or Huntsville, AL for three days (c. \$380.00 per person). For the 2007-2008 school year, the eighth grade class is going to go to Washington, D.C. and New York City for six days (estimated between \$1,300.00 -\$1,500.00 per person).

Financial aid for field trips is available for students when needed and is confidential (see head of school).
